

The background of the image is a night-time cityscape, likely Tehran, Iran, with numerous illuminated buildings and streets. In the foreground, there is a large, out-of-focus silhouette of a person, possibly a woman wearing a headscarf, looking out towards the city. The overall mood is contemplative and somber.

Praying for Iran: A Call to Intercede

Pray for People

- Pray for mercy and peace for all those gripped by fear, especially the most vulnerable in both Iran and Israel.
- Pray for the protection of lives and livelihoods, particularly in regions facing heavy bombardment or unrest.
- Pray for safe passage and provision for civilians seeking refuge in rural areas or neighbouring countries.

Pray for the Church

- Pray that the church in Iran and Israel would be strengthened to shine the light of Christ with compassion and truth.
- Ask God to equip believers to care for the hurting, love their enemies, and boldly point people to Jesus.
- Pray that this moment would be a time when the Church grows deeper in faith, wider in reach, and louder in hope.

Pray for Problems

- Pray for God to intervene in the deep-rooted tensions between Iran and Israel—conflicts shaped by decades of mistrust, war, and pain.
- Pray that in what seems impossible by human strength, God's wisdom and justice would make a way.
- Ask the Lord to break the cycles of violence, and begin a new story of reconciliation in the region.

Pray for Those in Power

- We pray for the leaders and decision-makers worldwide who could help to bring peace.
- Lord, we ask for your Spirit to move hearts toward the Prince of Peace, and a commitment to seeking diplomatic solutions.
- Raise up regional and world leaders who have the wisdom and determination to de-escalate this conflict.

Pray for the Principalities

- We declare that Jesus has the ultimate authority over every force of evil and that God is sovereign.
- In Christ's name, we pray against the spiritual forces that stoke the fires of human anger, hatred, fear, and violence. We ask for radical peace, forgiveness, and mercy to redefine this situation.
- Father, set your angels to encamp around the vulnerable.
