

International **Day of Prayer**
for the **Persecuted Church**

IDOP 2024 PRAYERS

Allow Iranian believers who have suffered for their faith in Christ to guide you in prayer.

Elam

MAGDA - PERSECUTION IN FAMILY LIFE

“I was in front of two judges. They said, ‘We will give you one chance... If you say you are not a Christian, we will give you back your daughter...’ I felt I was dying.”

PRAYER

Pray that any Christian in Iran who has been separated from their child or other loved one - either by unjust laws, imprisonment, or exile for their faith - would know the comfort and sustaining grace of God.

ROOZBEH - EDUCATIONAL PERSECUTION

“In the second year of my Bachelor of Arts in Music my faith in Jesus was discovered. Despite completing my studies, the university refused to issue my certificate.”

PRAYER

Pray that Christian students in Iran will have wisdom as they live for Christ at school or on campus – that they will be able to be a light to their peers and teachers without being denied access to their education.

SAEED & SETAREH - ISOLATION

“We were Christians for about five years before we met other believers. Isolation is hard. We began to really grow in faith only when we found fellowship.”

PRAYER

Pray for the encouragement of all Christians who are isolated in Iran, and that doors would soon open for them to safely meet other believers, so that they can grow into the calling God has for them.

REZA - FINANCIAL PERSECUTION

“They seized my money and property in Iran because of my ministry. But what the Lord has given me is worth infinitely more than houses or assets.”

PRAYER

Pray for those who have lost jobs, opportunities for promotion, business licences, pensions, or other assets because of their faith. Pray they would know the love and provision of God more deeply than ever.
